Subject: *Beefing up security in Bharat Sanchar Bhawan premises – regarding.*

Sir,

We would like to draw your attention towards recent rise in terrorist activities and explosion of bombs in Delhi. In this connection, we would like to point out that there is lack of proper security in Bharat Sanchar Bhawan premises. It has been noticed that all the vehicles, specifically the vehicles without parking stickers, are entering into the premises of Bharat Sanchar Bhawan without any checking. Further, visitors without pass are seen waiting at the entrance of the floors till the employees' swipe their cards to open the door and enter into the building. Terrorists may take advantage of the prevailing situation and this may cause a dangerous situation. Since the safety of the employees, including the top management, working in BSNL Corporate Office is at stake, it is requested to kindly take necessary steps to beef up the security in Bharat Sanchar Bhawan premises.

In this connection, we would like to suggest the following to strengthen the security in Bharat Sanchar Bhawan premises as an immediate measure :-

- Provide hand-held mirrors to the security guards deployed at the entrance gates of Bharat Sanchar Bhawan, so that all the incoming vehicles could be checked properly before entering into the building premises.
- Only the labeled vehicles/vehicles of staff members be allowed to enter the premises of Bharat Sanchar Bhawan.
- Install metal detectors near both the entrance doors of the main building.
- Only the visitors carrying proper entry pass be allowed to enter into the floors.
- Provide hand-held metal detectors to the security guard deployed at each floor.
- All visitors should be properly searched by the security guard at the entrance of each floor.

Thanking you,

Yours truly
(Sd/-)
